Hi Karen,

I will call you on Monday to discuss the 30% issue. I spoke to my legal team on Friday afternoon (lawyers at my firm, an outside Houston firm, and a New York firm). They were all working on that issue last week while I was in Arizona. They have already taken some steps, which I think you will like, as the steps were designed to protect Prudential, as well as me. I had previously given strict instructions to my team to protect your client's interests, since you had been acting, in my opinion, quite professionally.

I will discuss with you on Monday. And I welcome your thoughts and want to work with you collaboratively.

Tom
